{{ Erich Honecker , “ Generalsekretär der Sozialistischen Einheitspartei Deutschlands und Vorsitzende der Staatsrat der Deutschen Demokratischen Republik” (German Democratic Republic) was before the Second World War (in the time of Nazi-Germany) in possession of a Dutch false passport. He became it in 1933/34 when he was in The Netherlands. Through this false passport he has a new identity as Marten Tjaden, born 21-9-1911. Wenn we see above , we see the same name and the same birth date. So I think Honecker has assumed the identity of this Marten Tjaden . Probable, the real Marten Tjaden did not know it. }}
