- Johann Hermann (Johannis Hermanni) Tjaden

b. Blaukirchen 7-2-1654

di Siegelsum 10-2-1720

married :

He was asked as clergyman on 28-1-1683 in Siegelsum. He was there from 1683 to 1720 . He has studied in Kiel.

(The church books of Siegelsum are on fire in 1824).

Children see page T. 5. and T. 6.

- Berend) Bernd ‘Tjaden. [Siegelsum pages 50 and 52., Forlitz-Blaukirchen 771, Forlitz/Blaukirchen 480 (witness) and 611 (witness) ,]

Berend is probable a son of Hajo. Why ? The name of Berend his son is Hajo. These Hajo married in Siegelsum, the church where Johann Hermann Tjaden clergyman is. So Hajo married in the church of his uncle.He is also married in Blaukirchen. This is no chance.

Berend came from “aus dem Wolde” = Blaukirchen / Sudwolde..

 di. 16-2-1737. buried Wiegboldsbur 20.

- Altien Tiaden. ?
 She is called as witness by a child Berend Tjaden and Rensche Eiben in
 1678. Is she a sister of Berend Tjaden ? or is the wife of Berend's brother
 Johann Hermann Tjaden ?

{{{ Anna Maria Tjaden [Holtrop 1488, Detern 1862, Amsdorf 593 ,Amsdorf 711]
 b.1664 di. 13-4-1750 (85 years)
 buried 17-4-1750 Detern.
 Married with Benjamin Kettwich (Ketwieg)
 b. 1665 Barstede di. 16-10-1712 Amdorf

Anna Maria is probable a granddaughter ? of Hajo Tjaden . Why ?
 Hajo is born in Wittmund in 1618 and the father of Benjamin , Johann
 Kettwich is born in Wittmund 1614.
 Hajo has studied by clergyman Potinius (Potinia) . Johann Kettwich married a
 daugther of Potinius. So , Hajo Tjaden and Johann Kettwich have known each
 other very good . Hajo was clergyman in Blaukirchen 1648 – 1677 and Johann
 Kettwich was clergyman in Barstede 1642 – 1682 .
 According to the logic they have connections their whole life. So , i think that
 Anna Maria Tjaden is a granddaughter ? of clergyman Hajo Tjaden , not a daughter,
 Hajo Tjaden's wife died in 1655 or maybe she is a daughter of a (unknown)
 brother of Hajo. }}}

Children of Johann Hermann Tjaden and , See page T . 3

 Hendrickje Jans
 Chr. Bierum 10-3-1719 . di. Delfzijl 27-7-1784
 { Parents: Jan Jans and Eeltje Harms }.
 There is a family-story , that tell us that Eppe must fly for the Prussia in
 East-Friesland. About 1750 / 1755 he has not lived in Delfzijl, maybe in
 Wirdum in East-Friesland

Children see page T .7

When i see the age difference between Johann Philip Tjaden in 1769 87 years and Bernhard Tjaden in 1797 84 years, then i believe that Johann Hermann Tjaden has married maybe two times.
