Note 2.

In the Osb " Die Familien der Kirchengemeinde Dornum" we see:

On page 32 in "Abgabenverzeichnis von 1672 " by "Warffstädten"

-Johann Siaden- , called poor.

On page 43 we see in "Kopfschatzungsregister von 1719 der Herrlichkeit Dornum"

by Dornumer Siehl -Peter Johan Sjaden- . He is a " Arbeitsman" and he had

a " halbes Hauss " ( home) and he lived there with his "Weib" (woman) and

his child of 15 years old.

Are Johann Siaden and Peter Johan Siaden father and son ????????

Peter Johan Siaden lived in Dornumersiehl. So by the coast.

By osb Dornum 2280 we see Peter Janssen , ( see page 1 ). "Nachtwächter" zu Nesse.

Are this two persons grandfather and grandson ???????

Yes ?????? , then comes the name Siaden / Tjaden from Etje Peters , see page 1.

and not her husband Hinrich Janssen ( Siaden).
